

Case 1 – Metastatic Melanoma

Case 1 – Metastatic Melanoma

- Suggested Reading - <https://doi.org/10.1016/j.crad.2010.10.014>

The image shows the cover of the journal 'Clinical Radiology'. On the left is the Elsevier logo featuring a tree and the word 'ELSEVIER'. In the center, it says 'Contents lists available at ScienceDirect' and 'Clinical Radiology' with the journal homepage URL 'www.elsevierhealth.com/journals/crad'. On the right is a small thumbnail of the journal cover with the title 'CLINICAL RADIOLOGY'.

Review

Multimethod imaging, staging, and spectrum of manifestations of metastatic melanoma
